

Sweet As

15th April, 2008

Rosie is an awful bookkeeper, she makes me look at numbers and shouts at me all the time.

No, really....

Thank you Rosie for helping me make sense of my books over the last year or so, you have helped me save money and always present in a straightforward and easy-to read-format. I am always happy to recommend you to people who ask, and I do regularly.

Where would I be without you? A trillion thanks.
